

United Home Services Master Regional Opportunities

First launched and franchised in 1995 in Melbourne, Australia; United Home Services now operates in 3 states in Australia.

United Home Services has been recognised by BRW's Fast Franchises as one of Australia's leading Home Services Franchises. Individuals are attracted to the great lifestyle that a United Home Services franchise opportunity offers. United Home Services offer an extremely flexible and fair system. There are no turnover based fees, so franchisees can build the business to be as large as they like with no cost penalty.

The initial start up costs for a Unit Franchise in Cleaning, Ironing, Carpet Cleaning and Gardening range from \$15,000- \$30,000 which includes all the equipment that is needed to run a United Home Services business as well as initial training costs.

United Home Services is has developed a turnkey Master Regional Franchise management system which will harvest support at regional level, as well as support available from the franchise in the form of regular meetings, regular contact via telephone and email, online call management system and ongoing National mentoring and support.

Regional Franchise owners have the opportunity to build their own unit franchise base in their chosen territory and use their existing business acumen to build their team of franchisees.

A prime opportunity now exists to become part of one of Australia's leading franchises.

If you're passionate about...
